

Declaration in respect of bovines temporarily tagged.**TO BE COMPLETED BY KEEPER**

1. Where metal tags are used to temporarily identify animals for and during a test, you are required to associate the animals correct tag number with it's temporary tag number. Accordingly, this form should be completed and returned to the District Veterinary Office.

Temporary tags are not an official means of identification. Failure to properly identify bovines with 2 plastic tags will result in the animals concerned being improperly identified and they may be **seized and destroyed** as a result.

Replacement plastic tags for temporarily tagged animals must be ordered immediately.

Please enter details in section 2 below & complete column "X" showing the correct tag number .
